

MEMORANDUM

To: All Instructional Staff  
From: Matthew Kosmoski, vZHU ATM  
Date: 2019-01-04  
Subject: Approach Solo Validations/Endorsements

All,

Effectively immediately, the I90 (HOU\_APP) is available to be issued as a GRP solo validation facility as permitted by GRP 4.5(a) for S2 rated students. Additionally, at the direction of VATUSA and pursuant to GRP 4.5(a)1, students may no longer be issued more than one GRP solo validation concurrently.

Please work with your students and provide the necessary transition training to allow them to work the I90 as a solo field. Upon completion of a OTS and promotion to S3, students that were solo validated on the I90 shall be issued major endorsements.

/Signed/  
Matthew Kosmoski, vZHU ATM
