

**Letter of Agreement**  
**Houston (vZHU) and Atlanta (vZTL)**  
Effective June 26, 2018

---

## Purpose

This agreement between Houston (vZHU) and Atlanta (vZTL) covers coordination procedures and is supplementary to the procedures in FAA JO 7110.65, VATSIM policies and procedures, and any other governing document.

## Cancellation

None.

## Mutual Automatic Visiting Privileges

- All active vZHU controllers holding a controller rating of S1 or greater, who are certified to control vZHU positions, shall be granted the same privileges at vZTL as a visiting controller. vZHU Controllers wishing to exercise visiting privileges must apply for visiting status at vZTL, but their application shall be automatically approved. I90 endorsed controllers shall be granted A80 endorsements.
- All active vZTL controllers holding a controller rating of S1 or greater, who are certified to control vZTL positions, shall be granted the same privileges at vZHU as a visiting controller. No request will be required by the controller, as these privileges will be automatic and immediate. A80 endorsed controllers shall be granted I90 endorsements.
- This arrangement may be terminated for specific controllers with cause by the Air Traffic Manager or Deputy Air Traffic Manager of the visited ARTCC. The staff member initiating the termination of privileges shall notify the member's Air Traffic Manager and Deputy Air Traffic Manager of the termination. The management of the home facility shall notify the member of their termination from the program.
- This arrangement remains subject to the terms of the [VATUSA General Division Policy \(DP001\)](#) Section G.
- Controllers exercising automatic visiting privileges are not subject to any minimum visiting controller activity requirements of the visited facility.
